LETTER

REQUEST FOR CORRECTION OF CORRECTED FILING RECEIPT

Honorable Commissioner of
Patents and Trademarks
Washington, DC 20231

Sir:

Applicants herein request correction of the "Corrected Filing Receipt" (copy enclosed) which they have received for U.S. Serial No. 07/460,852, filed February 21, 1990 for "Treatment of Autoimmune Diseases by Oral Administration of Autoantigens." There are two corrections which need to be made.

First, the U.S. Patent & Trademark Office has erroneously amended the Filing Receipt to state that U.S. Application No. 07/460,852 is a CIP of "01/002,139 [filed] 06/24/86." Applicants did not request this amendment; this statement is incorrect and should be deleted.

Second, the Corrected Filing Receipt still does not reflect the fact that this application is the national stage of PCT/US88/02139 which has an international filing date of 24 June

1988. Applicants previously requested this amendment in a letter filed at the U.S. Patent & Trademark Office on May 25, 1990.

Accordingly, Applicants again respectfully request that the continuing data as claimed by Applicants on the Filing Receipt be corrected to reflect that U.S. Application No. 07/460,852 is the national stage of PCT application PCT/US88/02139 (International Filing Date 24 June 1988), and that PCT/US88/02139 is a continuation-in-part application of U.S. Application No. 07/065,734, filed June 24, 1987. Application No. 07/065,734 is now abandoned.

Appropriate correction and issuance of a second corrected filing receipt is respectfully requested.

Respectfully submitted,

SAIDMAN, STERNE, KESSLER & GOLDSTEIN
